SUBJECT: APPLICATION FOR AMENDMENT NO. 3 TO THE HOLTEC INTERNATIONAL
HI-STORM UMAX MULTIPURPOSE CANISTER STORAGE SYSTEM –
SUPPLEMENTAL INFORMATION NEEDED

Dear Ms. Manzione:

By letter dated August 30, 2016, supplemented September 7, and November 4, 2016, Holtec International (Holtec) submitted an application for amendment of Certificate of Compliance No. 1040 for the HI-STORM UMAX Storage System. Holtec requested to include the NUHOMS 24PT1-DSC canister for storage in the HI-STORM UMAX System, in support of a future site-specific license request for a Consolidated Interim Facility. Staff performed an acceptance review of your application to determine if the application contains sufficient technical information in scope and depth to allow the staff to complete the detailed technical review.

This letter is to advise you that based on our acceptance review, the application does not contain sufficient technical information. The information needed to continue our review is described in the enclosure to this letter. In order to schedule our technical review, this information should be provided within thirty (30) calendar days of the date on this letter. If the information described is not received by this date, the application will not be accepted for review. This letter confirms our E-mail on January 5, 2017, with respect to the supplemental information needed and the date for your submittal.

If you have any questions regarding this matter, please contact me at (301) 415-7465.

Sincerely,
