REC'D 10/18/17 17:10:10

REF: Amendment Request For License No. 47-10136-03
Expiration Date: October 31, 2024

Gentlemen:

The purpose of this letter is to request an amendment to NRC License No. 47-10136-03 as the Company Cytec Industries Inc. was purchased by Solvay and our site is now wholly owned by Solvay.

The RSO and all aspects of the current radiation protection program and operating procedures will remain the same.

As part of this transition Mr. David Fenton is assuming the role of authorized management responsibility as Site Manager for the above license, replacing Mike Young. Future correspondences should go to Mr. David Fenton. Contact Phone Number (304) 665-3702
Thank you for your consideration. If you have questions or require further information, please contact Bruce Valentine RSO at (304) 665-3643.

Sincerely,

Mike Young

Mike Young
mike.young@solvay.com
Operations Technology Director Additive Technologies

Licensing and/or Technical Reviewer or Branch

Commercial, Industrial, R&D, & Academic Branch
(Branch 2) Rec'd. in RI

This is to acknowledge receipt of your: Letter and/or Application Dated: 01/18/2017

The initial processing, which included an administrative review, has been performed.

Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

The following administrative omissions have been identified:

[Empty box for administrative omissions]

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
