Dear Deputy Director,

License XMAT410/02 will be expiring this year. As outlined in the application, Sigma-Aldrich would like to extend the license by four additional years, as well as extend the exported volume by another 5,000 kg for a cumulative total of 10,000 kg.

I have been in contact with Stanley Freeman, NRC Licensing Assistant, and he informed me that this request would be classified as "generic" review which carries a fee of \$4,800.

Please find enclosed the application, check, and the email with Mr. Freeman.

Please let me know if you have any questions.

Best Regards,
