Re: Niagara Mohawk Power Corporation
Nine Mile Point Unit 2
AEC Docket No. 50-410

Dear Mr. O'Leary:

As part of Supplement No. 2, transmitted by Amendment No. 2 in the above-captioned proceeding, Applicant transmitted two (2) copies of its industrial security plan on a confidential basis in accordance with 10 C.F.R. §2.790 and §9.5(a)(4). We understand that Regulatory Operations now desires an additional copy of the industrial security plan for its own review.

Therefore, we transmit herewith one (1) additional copy of the industrial security plan originally filed on November 14, 1972 by Amendment No. 2 in this proceeding. We request that it be withheld from public disclosure in accordance with our original letter of transmittal.

Since the other parties to this proceeding were served with notice of the submission of the plan on November 14, 1972 but the plan was not made available to them, no service of this submittal is being made upon the other parties at this time.

Very truly yours,
