Council
New York State Department of
Commerce
112 State Street
Albany, New York 12207

Dear Dr. Seymour:

Since August 1969, the Niagara Mohawk Power Corporation has been operating Unit 1 of the Nine Mile Point Nuclear Station located in the Town of Scriba, Oswego County, New York, under Provisional Operating License No. DPR-17. The license currently authorizes operation of Unit 1 at full power (1850 MWT).

On July 5, 1972, Niagara Mohawk filed with the Commission the enclosed application (notarized June 27, 1972, and transmitted by letter dated July 5, 1972) for conversion of the above license to a full-term operating license. The following enclosed items were included as part of this application:

1. Technical Supplement to Petition for Conversion (dated July 1972),
2. Niagara Mohawk's Annual Financial Report (1971), and
3. Environmental Report - Operating License Stage (dated June 1972).

We also are enclosing the following additional items relating to Nine Mile Unit 1:

1. Commission's Federal Register Notice regarding Availability of Environmental Report referenced in item 3 above,
2. Letter from Niagara Mohawk dated May 4, 1972, regarding unidentified leak-rate detection system,
