ENVIRON, FILE (NEPA)

Gentlemen:

This supplements our previous letters to you, transmitting the Environmental Report and supplements relating to the facility identified in the enclosure to this letter.

The AEC Regulatory staff has analyzed the Environmental Report and supplements thereto, and the comments of Federal, State and local agencies and interested members of the public on the Draft Environmental Statement, and has prepared a Final Environmental Statement. Copies of the Final Statement and the Federal Register notice of availability are enclosed. The notice of availability has been transmitted to the Office of the Federal Register for publication.

Requests for copies of the Final Statement should be addressed to the United States Atomic Energy Commission, Washington, D. C. 20545, Attention: Deputy Director for Reactor Projects, Directorate of Licensing.

Sincerely,
