Re: Nine Mile Point Unit 2  
Docket No. 50-410  
CPPR-112

Dear Mr. Gossick:

Recently some changes in Niagara Mohawk Power Corporation management have been made to provide for more efficient operation. The immediate result is that all correspondence including that from the Office of Inspection and Enforcement for Nine Mile Point Unit 2 should be sent to Mr. Gerald K. Rhode. He became Vice President-System Project Management effective October 15, 1977.

This organizational change will be carried out in a manner which will not impede our licensing and construction efforts of Nine Mile Point Unit 2.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION

President and Chief Executive Officer
