Docket No. 50-220

Niagara Mohawk Power Corporation
ATTN: Mr. Philip D. Raymond
Vice President - Engineering
300 Erie Boulevard West
Syracuse, New York 13202

Gentlemen:

We have received your analysis on Anticipated Transients Without Scram (ATWS) furnished with your letter of September 25, 1974. With regard to your request for a meeting to discuss the additional analyses that are to be performed in fulfillment of your commitment of November 1, 1973, we learned during a telephone conversation on October 3, 1974, between Mr. Charles J. DeBevec, Licensing Project Manager, and your Mr. C. V. Mangan, that an additional period of time is needed for completing this additional analyses. In this regard, please submit an explanation for the delay, and provide a schedule of the detailed plan for completing the analyses, including the vendor's program and your review. We also request an estimate of the date on which the analyses will be submitted.

Please provide your response to the above requirements within two weeks of the date of this letter.

Sincerely,

Original Signed by
