Dr. Peter A. Morris, Director
Division of Reactor Licensing
United States Atomic Energy Commission
Washington, D. C. 20545

Dear Dr. Morris:

On March 29, 1971 I advised you that our plans to obtain a Water Quality Certificate for the Nine Mile Point Nuclear Station were still under review. I should like to advise you now that our application to the New York State Department of Environmental Conservation requesting a Water Quality Certificate was completed on July 8, 1971.

Sincerely,

T. J. Brosnan
Vice President and Chief Engineer
