Dear Ms. Henderson:

The Radiation Control Program (RCP) is rescinding the letter dated January 30, 2017 for final review of RATs ID 1995-3, 2009-1, 2011-1 and 2011-2. The letter was sent prematurely. The RCP will need to perform a further evaluation of the documents submitted to ensure more adequate and complete supporting documentation which will be included in a future review.

If you have any questions, please feel free to contact Michael Schmidt, Radiation Control Specialist III at (775) 687-7530 or at [mschmidt@health.nv.gov](mailto:mschmidt@health.nv.gov).

Sincerely,

A handwritten signature in blue ink that reads "Karen K. Beckley".
