SUBJECT: ROLE OF THIRD PARTIES IN ACCESS AUTHORIZATION AND FITNESS-
FOR-DUTY DETERMINATIONS

Dear Ms. Jerry:

Daniel Doyle of my staff received your email dated February 6, 2017, with the subject, "There is no regulatory basis for engaging in rulemaking concerning the 'Role of Third Parties in Access Authorization and Fitness-for-Duty Determinations.'" The Nuclear Regulatory Commission has an obligation to process this email as an official agency record and make it available to the public unless there is a justification for withholding it. Please confirm if the personal information included in your email and its attachments is already publicly available (for example, in court records). If the information is not publicly available, please state if you have obtained permission from the identified individuals to make their information publicly available or please provide a redacted version with any sensitive personal information removed so we can make that version publicly available.

You may direct any questions regarding this matter to Daniel Doyle by calling 301-415-3748 or by e-mail to Daniel.Doyle@nrc.gov.

Sincerely,

/RA/
