Scott –

Here is the organization as of now. I've been trying to make it readable, not sure I succeeded. Also attached is the previous org chart. Our company is owned by Tenova which is an Italian company. Before Jan 1, 2017 they owned the company in Pennsylvania and our company in Connecticut. Both reported to Italy. On Jan 1, 2017 they joined those companies together under Tenova Inc. This chart reflects that. I put next to each name whether they worked in Connecticut or Pennsylvania.

Mr. Godwin,

Thank you for your response. I have one additional request, could you please send me two corporate organization charts; one depicting the entire corporation prior to the merger; and one depicting the corporate structure after the merger?

Thank you,

Enclosed is a new document concerning our name change. Changes from the last version:

- Signed by our plant manager
- Corrected the date to January 1, 2017
- Enclosed a letter to/from the state of Connecticut concerning the name change

Hopefully that will do it. Thanks.
