Re: **Notification of Possible Change of Control**  
**License No. 47-24837-01**

This letter is in addition to the Notification of Possible Change of Control, dated December 2, 2016, that was submitted to the US NRC Region I. In a phone call with NRC employee Dennis Lawyer, in which he stated he believed the stock sale of Clearon was an indirect change of control, he requested a letter from the new owner (Hui Yu Xin American Corp.) stating that the company has these commitments to the NRC.

Hui Yu Xin American Corp. agrees to continue to abide by all the constraints, license conditions, requirements, representations, and commitments identified in and attributed to the existing license.

If you have any questions, please contact Amanda Marcks or myself at 304-746-3000.

Sincerely,

Dave Helmstetter  
General Manager  
Clearon Corp.

Nick Wang  
Hui Yu Xin American Corp.
