The U.S. Nuclear Regulatory Commission (NRC) will confirm the accuracy of the information and the appropriateness of the billing before issuing you instructions in accordance with the following condition of the FMRI Decommissioning Trust Agreement, dated November 18, 2003:

In addition, the Trustee shall make payments from the Fund, as the NRC shall direct, in writing, to provide for payment of the costs of required activities covered by this Agreement. The Trustee shall make payments to the Grantor or other persons as specified by the NRC from the Fund for expenditures for required activities in such amounts as the NRC shall direct in writing.

By this letter, the NRC is confirming that the invoices, information, and certification provided by FMRI address shipping of eleven intermodals of WIP material on both November 8-14, 2016, and January 19-24, 2017.
