SUBJECT: Verification of information submitted on Vincent Dam's US NRC Form 313A

I contacted Eileen Normoyle, Radiation Safety Officer for the University of Pennsylvania on January 31, 2017, to confirm that Vincent Q. Dam, M.D.'s preceptor, David Mankoff, M.D. Ph.D. is listed as an Authorized User for 35.300 on their license. She provided that confirmation on 1/31/17. In addition, I confirmed through the state licensing boards on 2/1/17 that Vincent Q. Dam holds current medical licenses in Maryland, Virginia, and Washington DC.
