Andrew,

I am sending this email to provide the NRC's responses to the comments that NEI submitted on the SPRA Review Checklist which was discussed during the public meeting held on December 7, 2016 (Public Meeting Notice ML16341C565).

We appreciate the valuable input that was provided, and, in some areas, we have made modifications to the Review Checklist itself as a result of the comments. For this reason, I have also included a copy of the updated Review Checklist as an attachment to this email.

If you have any questions or wish to discuss the provided responses further, please feel free to contact me directly.

Thank you,

Brett Titus
