### 1.1 Name, Authorization and Mission

The official name of the Board shall be the "West Virginia University Board of Governors." The Board of Governors and their successors in office are created by the legislature of West Virginia through the Code of West Virginia [§18B-2A] as a governing body, known as the West Virginia University Board of Governors, with the mission of general supervision and control over the academic and business affairs of West Virginia University, including its fully integrated divisions, Potomac State College of West Virginia University and West Virginia University Institute of Technology. **NONNEGOTIABLE**

and consent of the Senate. Except in the case of a vacancy, all member elections shall be held and all appointments shall be made no later than the thirtieth day of June preceding the commencement of the term.

### **1.3 Training and Development Coordinated by the Policy Commission**

#### **1.3.1 Coordination**

The Higher Education Policy Commission (hereinafter the "Policy Commission"), either separately or jointly with the Council for Community and Technical College Education, shall coordinate periodic training and development opportunities for members of their institutional Boards.

#### **1.3.2 Initial Requirements**

Within six months of beginning service, each new Board member shall complete at least three hours of training and development. The training and development shall address the following topics: (1) state goals, objectives and priorities for higher education; (2) the accountability system for higher education; (3) the general powers and duties of members; and (4) ethical considerations arising from Board membership.

#### **1.3.3 Ongoing Requirements**

With the exception of the student member of the Board, each member shall complete at least six hours of training and development related to his or her duties within two years of beginning service and within every two years thereafter.

#### **1.3.4 Certification**

By July 31 each year, the Chair of the Board shall certify to the Policy Commission, as appropriate, the number of hours of training and development that each member received during the preceding fiscal year.

#### **1.3.5 Disqualification and Replacement**

If the certification indicates that a member has not completed the required training and development, the Policy Commission shall send a notice to the Governor and the Secretary of State or to the institutional appointing entity that the member is disqualified from continued service notwithstanding the relevant sections of these operating procedures and the law. The Policy Commission shall request the Governor or appointing entity to appoint a replacement for that Board member.

### **1.4 Terms of Appointment**

The student member serves for a term of one year. The faculty member and the classified staff member serve for terms of two years. Terms begin each year on the first day of July. Faculty and Staff members are eligible to succeed themselves for three additional terms, not to exceed a total of eight consecutive years. The appointed lay citizen members serve terms of four years each and are eligible to succeed themselves for no more than one additional term. The appointed members of the Board serve staggered terms.

The member representing WVUIT serves as ex-officio, voting member during the time he/she serves as the chair of WVUIT's Board of Visitors.

### **1.5 Vacancies**

A vacancy in an unexpired term of a member shall be filled for the unexpired term in the same manner as the original appointment or election.

### **1.6 Continuation**

Other than in the case of written resignation submitted to the Board, each member shall remain in office until a successor has been established by the required process. Nevertheless, pursuant to these operating procedures and the law, a member who does not complete the required training and development is disqualified from continued service.

### **1.7 Qualifications**

Of the twelve members appointed by the Governor, no more than seven may be of the same political party. At least seven of the members shall be residents of the state. No lay person shall be eligible for appointment to membership on the Board who is an officer, employee or member of any other board of governors, a member of an institutional board of advisors of any public institution of higher education, an employee of any institution of higher education, an officer or member of any political party executive committee, the holder of any other public office or public employment under the government of West Virginia or any of its political subdivisions, an employee of any affiliated research corporation created pursuant to W.Va. Code §18B-12-1 et seq., an employee of any affiliated foundation organized and operated in support of West Virginia University, a member of the Policy Commission, or a member of the West Virginia Council for Community and Technical College Education.

### **1.8 Oath of Office**

Before exercising any authority or performing any duties as a member of the Board of Governors, each member shall qualify as such by taking and subscribing to the oath of office prescribed by Article IV, §5 of the Constitution of West Virginia, and the certificate thereof shall be filed with the Secretary of State.

## **1.9 Removal**

### **1.9.1 Members Appointed by the Governor**

A member of the Board of Governors appointed by the Governor may not be removed as a member of the Board by the Governor except for official misconduct, incompetence, neglect of duty or gross immorality and then only in the manner prescribed by law for the removal of the state elective officers by the Governor.

### **1.9.2 All members**

All members who are disqualified as described in Section 1.3.4 of these operating procedures may be removed in the manner prescribed herein and by law.

## **1.10 Compensation**

The members of the Board of Governors serve without compensation, but are reimbursed for all reasonable and necessary expenses actually incurred in the performance of their official duties.

## **1.11 Supervision**

The Board of Governors is subject to the supervision of the Higher Education Policy Commission.

## **1.12 Collective Authority and Action**

The authority of the Governors is conferred upon them as a Board, and they can bind the Board and the University only by acting together through a majority vote of the Board as described in these operating procedures and applicable law.

Except as noted herein, permitted by act of the Board or otherwise provided by law, no individual member may commit the Board to any policy, declaration, directive or action without prior approval of the Board.

## **1.13 Code of Conduct**

Members of the Board of Governors have an obligation to fulfill their responsibilities in a manner which fosters the public's respect, trust and confidence. Accordingly, Board members shall comply with the West Virginia Governmental Ethics Act, applicable law, and the highest standards of integrity. Each member of the Board shall vote in a manner the member reasonably believes to be in the best interests of the University. Each member must further recognize his or her personal fiduciary responsibility for protecting and advancing the integrity, interests and assets of the University. Members of the Board shall refrain from placing themselves in situations in which their duty or loyalty to or stewardship of the University may be compromised.

The Board of Governors oversees and supports the management, academic and administrative operations of the University. Members of the Board recognize the role of the President as the chief executive officer of and primary spokesperson for the University and the role of the Chairman of the Board as the primary spokesperson for the Board. The authority of the Board is based on the authority of the Board as a whole, and not on the authority of individual members. Board members shall participate actively in the duties of the Board, exercise critical and independent judgment, and communicate promptly to the Chairman or the President any significant concern regarding the operations of the Board or University.

#### **1.14 Conflicts of Interest**

Members of the Board shall perform their responsibilities in a manner which avoids conflicts of interest, or the appearance of such conflicts or of impropriety. Board members shall not use the authority, title, influence, or prestige of their positions, or any confidential information gained as a result of their membership, to solicit business for themselves or others or otherwise obtain any private financial, social, or political benefit which in any manner would be inconsistent with the interest and mission of the University. The standards set out in this policy are intended to supplement, not replace, applicable law, and must be applied using the good judgment of every Board member.

While the University benefits from a Board whose members come with broad and varied experience and successful involvement in business, industry, education, the professions and government, such a membership also brings broad exposure to interests and influences which may directly or indirectly affect their obligations to the University. It is further possible that, from time to time, the University's best interests, objectively determined, may be served by entering into an appropriate business transaction with a member of the Board of Governors, or an entity in which the member has an interest. Recognizing that the potential for such conflicts of interest cannot be entirely avoided, it is the purpose of this section to set forth

appropriate standards for identifying, managing and, where possible, resolving such conflicts with a member (the interested member) in a manner which protects the University's public mission and integrity.

Accordingly, each Board member shall comply with the West Virginia Governmental Ethics Act and shall execute an annual conflict of interest statement and provide a copy thereof to the Secretary of the Board. In addition, each member of the Board has an ongoing obligation to disclose at the earliest practicable time all conflicts and potential conflicts and appearances of impropriety, and any such actual or potential conflicts must be addressed pursuant to applicable law and the procedures set forth herein. An interested member shall fully disclose in writing any such conflict or potential conflict, including all pertinent facts, to the Chairman; or, in the case of the Chairman, to the University's General Counsel promptly after becoming aware of such a conflict or potential conflict.

Whenever a Board member is in doubt as to whether a conflict might exist, he or she is encouraged to consult with the Chairman, who may, in his or her discretion, confer in turn with the General Counsel's Office. Any information so presented shall, to the extent permitted by law, be held in confidence except when it is determined that a conflict does in fact exist or that it will be in the best interest of the University to disclose the information in executive session to the Board or a committee of the Board. Such disclosure will be made only after informing the Board member concerned.

In the event of a conflict or potential conflict, the interested member shall neither participate in nor be present during any discussion by the Board regarding the matter in conflict; provided, however, that the Board may elect in its discretion to seek information or clarification from the interested member. The interested member shall abstain from all votes on any such matter and the disclosure of such a conflict and the member's recusal shall be recorded in the minutes of the affected meeting.

## **ARTICLE 2: OFFICERS**

### **2.1 Officers**

The Officers of the West Virginia University Board of Governors shall be: Chair, Vice Chair, and Secretary.

An Assistant Secretary may be appointed by the Chair to facilitate board activities. The Assistant Secretary shall not be considered an officer of the Board and need not be a member of the Board.
