Re: George Harms Construction
Radioactive Materials License
62 Yellowbrook Road; Howell, NJ 07731
P.O. Box 817; Farmingdale, NJ 07727
License No. 29-23456-01

REC'D 10131 17 AM 07/01

To Whom It May Concern:

Please accept this letter as a request to modify the Radiation Safety Office (RSO) listed under our current Radioactive Material License referenced above. The current listed RSO, Roberto J Garcia, is no longer employed with the company. Our new RSO will be Robert Goncalves. I have attached Mr. Goncalves credentials including a Nuclear Gauge Safety Certification as well as a Radiation Safety Officer Certification. Feel free to contact me if you need any additional information regarding this matter.

Very truly yours,

Samuel Hahn
Project Engineer

HAZMAT CERTIFICATION

as required by U.S. DOT and IATA

This certifies that
Robert Goncalves

has been trained and tested in accordance with the U.S. Department of Transportation and International Air Transport Association (IATA) hazardous material requirements for general awareness/familiarization, function-specific, safety, and security awareness training as related to the transportation of nuclear gauges. A description of the training course materials is available from Troxler Electronic Laboratories, Inc. This certificate expires three years from the training date shown below.

July 21, 2016

EMPLOYER CERTIFICATION

I certify that the hazmat employee identified on this certificate has been trained and tested as required by U.S. DOT Hazardous Material Regulations (49 CFR 172 Subpart H).

Signature _____ Title _____

The Leader in Construction Testing Equipment

Troxler Electronic Laboratories, Inc.
PO Box 12057-3008 Cornwallis Road - Research Triangle Park, NC 27709
Phone: (919) 549-8661 - Fax (919) 549-0761 - www.troxlerlabs.com

Course: Hazmat

Tracking Code: 95A5BGL5185978H_99765

Nuclear Gauge Safety Certification

This certifies that
Robert Goncalves

has successfully completed training on radiation safety and regulatory requirements for the use of portable nuclear gauges on this date.

July 21, 2016

This certificate is not valid until signed by the licensee RSO.

I attest that the person named above, and no other, has completed the online course and tests. I certify that the individual has completed practical skills training for setting up and making measurements, routine maintenance, packaging and transport, storage, and emergency procedures for portable nuclear gauges.

Licensee RSO _____
(print name) Signature Date

Troxler Online Training meets the requirements in Chapter 64E, Part XIII, Florida Administrative Code.

Troxler Electronic Laboratories, Inc.
P.O. Box 12057 - 3008 E. Cornwallis Road - Research Triangle Park, NC 27709

This is to acknowledge receipt of your: Letter and/or Application Dated: 01/26/2017

The initial processing, which included an administrative review, has been performed.
 Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
 Follow the instructions on the form for submission.

The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
