Lisle, Illinois 60532-4352

This letter is a notification of a change in ownership of the Dow Corning Corporation, which affects Radioactive Material License #21-08362-12.

**Description of Transaction**

On June 1, 2016, The Dow Chemical Company expanded their ownership interest in the Dow Corning Corporation from 50% joint ownership to 100% ownership of the company. Dow Corning will operate as a wholly owned subsidiary of The Dow Chemical Company.

**Changes of Personnel**

From the time of the closure of the deal to present, no changes to personnel have occurred to individuals named in the license. Bruce Reed has remained as the RSO for the license.

Any personnel who will perform work with radioactive materials will continue to be trained as specified in existing licensing documentation.

**Changes of Location, Equipment, and Procedures**

Sealed sources Isotopes currently possessed under License 21-08362-12 will continue to be used at the facility located at 3901 South Saginaw Road, Midland, MI.

No changes are being made to equipment or procedures involving radioactive material as a result of this transaction.

No new locations of use that are not currently listed on the license is being added as a result of this action.

**Surveillance Records**

All required surveillance work under the license will continue to be performed in the manner and at the frequency required.

**Decommissioning and Related Records Transfer**

Pursuant to 10 CFR 30.35(g), all drawings and records important to decommissioning of the license will continue to be maintained in their current location. Dow Corning will continue to assume the responsibility of decommissioning of all materials and facilities under the license.

Sealed sources owned under the license have no history of leakage, and there is no expectation that any portion of the facility would be contaminated above background levels outside of the licensed sources themselves.

RECEIVED FEB 14 2017

**Transferee's Commitment to Abide by the Transferor's Commitments**

There are no open inspection items or enforcement items associated with the license. All existing commitments in the existing license will continue to be followed under the new ownership structure.

Thank you for your assistance with this matter. If you have any questions, please contact me at (989) 496-8823.

Sincerely,

Bruce Reed
