DISCLAIMER

This is an unofficial transcript of a meeting of the United States Nuclear Regulatory Commission on February 17, 2017, in the Commission's office at One White Flint North, Rockville, Maryland. The meeting was open to public attendance and observation. This transcript has not been reviewed, corrected or edited, and it may contain inaccuracies.

The transcript is intended solely for general information purposes. As provided by 10 CFR 9.103, it is not part of the formal or informal record of decision of the matters discussed. Expressions of opinion in this transcript do not necessarily reflect final determination or beliefs. No pleading or other paper may be filed with the Commission in any proceeding as the result of, or addressed to, any statement or argument contained herein, except as the Commission may authorize.

[9:25 AM]

PROCEEDINGS

CHAIRMAN SVINICKI: Good Morning. Madam, Secretary, I believe we have one item for affirmation. Would you please lead us through that item?

ANNETTE VIETTI-COOK: This is Secy-17-0011 – Edlow International Company (Export of 93.20% Enriched Uranium) (Petition Seeking Leave to Intervene and Request for Hearing).

The Commission is being asked to act on a Memorandum and Order responding to a request for hearing filed by Dr. Alan J. Kuperman on an export license application submitted by Edlow International Company.

The Commission has voted to approve a Memorandum and Order that denies the request for hearing and directs the Office of International Programs to issue the export license to Edlow, with a license-termination date of December 31, 2023.

Would you please affirm your votes?

CHAIRMAN SVINICKI: Aye

COMMISSIONER BARAN: Aye

COMMISSIONER BURNS: Aye

ANNETTE VIETTI-COOK: That's all I have. Thank you.

CHAIRMAN SVINICKI: Do either of my colleagues have any comments?
