Docket No. 50-220

Mr. Marvin I. Lewis  
 6504 Bradford Terrace  
 Philadelphia, Pennsylvania 19149

Dear Mr. Lewis:

This is in response to your telegram dated January 15, 1979 in which you requested information on the request of Niagara Mohawk to install a low level radioactive waste incinerator at the Nine Mile Point Nuclear Power Plant. Please find enclosed a copy of the Niagara Mohawk submittal dated December 13, 1979.

You also requested the docket number. The Nine Mile Point Unit 1 Docket Number is 50-220, DPR-63.

In your telegram you indicated a desire to send in a limited appearance statement. At this time, the determination to convene a formal hearing board has not been made. If such a board is convened, we will notify you of such, and the board will be apprised of your desire.

If I can be of further assistance, please advise.

Sincerely,

Original Signed By:

Victor Stello, Jr., Director  
 Division of Operating Reactors  
 Office of Nuclear Reactor Regulation

Enclosure:

Niagara Mohawk Power  
 Corporation submittal  
 dated 12/13/78.

Docket No. 50-220

Mr. Marvin I. Lewis  
6504 Bradford Terrace  
Philadelphia, Pennsylvania 19149

Dear Mr. Lewis:

This is in response to your telegram dated January 15, 1979 in which you requested information on the request of Niagara Mohawk to install a low level radioactive waste incinerator at the Nine Mile Point Nuclear Power Plant. Please find enclosed a copy of the Niagara Mohawk submittal dated December 13, 1979.

You also requested the docket number. The Nine Mile Point Unit 1 Docket Number is 50-220, DPR-63.

In your telegram you indicated a desire to send in a limited appearance statement. It is assumed that your desire pertained to the open technical meeting held in Oswego, New York. Unfortunately, the subject meeting was held on January 30, 1979.

If I can be of further assistance, please advise.

Sincerely,
