Dear Mr. Grier:

Your March 12, 1979 I.E. Bulletin 79-03 addresses defects found in welded Type 304 or 316 SA-312 material fabricated by Youngstown Welding and Engineering.

A review of piping fabricated for Nine Mile Point #1 indicates that no pipe was supplied or is planned to be supplied by Youngstown Welding and Engineering Company.

Very truly yours,

Thomas E. Lempges
