Docket No. 50-220  
DPR-63

Dear Mr. Ippolito:

Our letter of August 17, 1979, indicated that the new breathing air compressor would be installed in the Administration Building extension by the end of September 1979. Due to delays in the completion of the Administration Building extension, the compressor is in place, but will not be operable until January 31, 1980.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION
