Docket No. 50-410

Dear Mr. Carlson:

Your Inspection 50-410/79-05, dated August 23, 1979, requested Niagara Mohawk to respond to a Notice of Violation within 30 days of receipt of the notice. The potential violation was related to the timeliness in evaluating a deficiency in accordance with 10 CFR 50.55(e).

Due to the extensive internal review required, this response will be delayed until October 19, 1979.

Very truly yours,
