Re: Nine Mile Point Unit 1
Docket No. 50-220
DPR-63

Dear Mr. Grier:

Our letter response to I.E. Bulletin 79-01, dated July 12, 1979, indicates that we would be providing interim reports on equipment environmental qualification every 60 days. Since our responses to I.E. Bulletin 79-01B will provide the information expected to be included in these interim reports, they will be discontinued.

Very truly yours,
