Dear Mr. Carlson:

Re: Nine Mile Point Unit 2
Docket No. 50-410

This letter is to confirm our conversations of March 28, 1980 with Mr. A. Cerne of your staff regarding the interim 10CFR50.55(e) report on the Biological Shield Wall for Nine Mile Point Unit 2. Niagara Mohawk informed Mr. Cerne at that time that the interim report would be provided by April 15, 1980.

Additionally, it is desired to meet with the Nuclear Regulatory Commission staff at your offices in King of Prussia on May 7, 1980 to discuss our present course of action and address any of your concerns regarding the Biological Shield Wall.

Very truly yours,
