Re: Nine Mile Point Unit 1
Docket No. 50-220
DPR-63

Dear Mr. Grier:

As stated in our September 19, 1980 letter, Niagara Mohawk is making every effort to install equipment to continuously monitor water level in the scram discharge volume as soon as possible.

Per your staff's request, Niagara Mohawk will commit to completing installation by December 1, 1980.

Very truly yours,
NIAGARA MOHAWK POWER CORPORATION

T. E. Lemppes
Vice President
Nuclear Generation
