Dear Mr. Eisenhut:

Our letter dated December 12, 1980 indicated we would inform your office by January 15, 1981, of the results of the review of the scram discharge system at Nine Mile Point Unit 1 for conformance with the BWR's Owner's Sub-group criteria. Further review of the criteria is necessary before any commitment to compliance can be made. Niagara Mohawk will inform your office of the results of this review by February 2, 1981.

Very truly yours,
