Gentlemen:

The enclosed IE Bulletin No. 81-01, "Surveillance of Mechanical Snubbers," is forwarded to you for action. A written response is required.

In order to assist the NRC in evaluating the value/impact of each Bulletin on licensees, it would be helpful if you would provide an estimate of the manpower expended in conduct of the review and preparation of the report(s) required by the Bulletin. Please estimate separately the manpower associated with corrective actions following identification of problems through the Bulletin.

If you desire additional information regarding this matter, please contact this office.

Sincerely,

*Boyce H. Grier*
