Re: Nine Mile Point Unit 1
Docket No. 50-220
DPR-63

Dear Mr. Ippolito:

Your letter of January 23, 1981 requested that we provide annunciation in the control room for the condition of the diesel generator isolation switch and the normal supply breaker control switch for Nine Mile Point Unit 1.

This modification is planned to be completed during the spring 1983 refueling outage.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION
