Re: Nine Mile Point Unit 1
Docket No. 50-220
DPR-63

Dear Sir:

Your order dated January 13, 1981 indicates that all modifications necessary to meet the Nuclear Regulatory Commission's acceptance criteria on the Mark I Program should be completed by January 31, 1983. We plan to meet this date and will inform you immediately should analysis yield results which would cause delay in meeting that schedule.

Very truly yours,
