Mr. Boyce H. Grier, Director  
United States Nuclear Regulatory  
Commission - Region 1  
631 Park Avenue  
King of Prussia, Pennsylvania 19406

Re: IE Bulletin 81-02 (Docket No. 50-220)

Dear Mr. Grier:

Niagara Mohawk has conducted a review and determined that Nine Mile Point Unit #1 has none of the subject valves in stock or in service.

Approximately sixteen man-hours were expended in the review and in the preparation of this report.

Very Truly Yours,

NIAGARA MOHAWK POWER CORPORATION
