Docket No. 50-220

Mr. Domenic B. Vassallo, Chief  
Operating Reactors Branch #2  
Division of Licensing  
United States Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Vassallo:

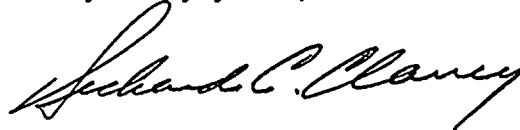

Subject: Nine Mile Point Physical Security Plan  
Docket No. 50-220

Your letter of November 15, 1982, pertaining to the changes to the Nine Mile Point Physical Security Plan was mistakenly sent to Mr. Donald P. Dise.

Please be informed that the Nuclear Security Management is independent of Electric Operations and reports only to the Manager of System Security and the undersigned; and that all security and safeguards information would be better protected against unauthorized disclosure in this fashion.

It is requested, therefore, that all future correspondence related to security and safeguards information be sent only to Mr. Joseph J. Sunser, Manager, System Security. Mr. Sunser will distribute, as required, on a "need to know" basis.

Very truly yours,

Richard C. Clancy  
Senior Vice President

xc: Mr. J.J. Sunser

5003
