Docket No. 50-220
DPR-63

Dear Mr. Vassallo:

Your September 19, 1983 letter discussed potential flooding of portions of the Nine Mile Point Unit 1 site due to a construction security fence transversing a drainage ditch. Niagara Mohawk will eliminate the flooding potential by relocating the fence. This action will be completed by December 1, 1983.

Sincerely,

NIAGARA MOHAWK POWER CORPORATION
