Re: Nine Mile Point Unit 1  
Docket No. 50-220  
DPR-63

Gentlemen:

Enclosed are two uncontrolled copies of the following emergency plan relating to the Niagara Mohawk Power Corporation Nine Mile Point Nuclear Station.

The New York State Radiological Emergency Preparedness Plan dated July 12, 1984

This emergency plan is submitted in accordance with Section V to Appendix E of 10CFR Part 50. One controlled copy of this emergency plan has been provided to the Region I office under separate cover.

Sincerely,

NIAGARA MOHAWK POWER CORPORATION

Page 1

1. The first part of the document discusses the importance of maintaining accurate records of all transactions.

2. It is essential to ensure that all data is entered correctly and that any discrepancies are identified and corrected promptly.

3. The second part of the document outlines the procedures for handling customer inquiries and complaints.

4. All staff members should be trained to handle such situations in a professional and courteous manner.

5. The third part of the document provides a detailed overview of the company's financial reporting requirements.

6. This includes the preparation of monthly, quarterly, and annual reports.

7. It is important to ensure that all reports are submitted on time and are accurate.

8. The fourth part of the document discusses the company's marketing and sales strategies.

9. These strategies are designed to increase the company's market share and revenue.

10. The fifth part of the document outlines the company's human resources policies.

11. These policies cover areas such as recruitment, training, and employee benefits.

12. The sixth part of the document provides a summary of the company's overall performance.

13. This summary includes key financial and operational metrics.

14. The seventh part of the document discusses the company's future goals and objectives.

15. These goals are based on a thorough analysis of the market and the company's strengths.

INTEROFFICE MEMORANDUM

To: Recipients of the NYS Radiological Emergency Preparedness Plan  
From: Donald B. Davidoff, Director, Radiological Emergency Preparedness Group  
Date: July 12, 1984  
Subject: Attached Plan

Please find the revised (July 1984) New York State Radiological Emergency Preparedness Plan. This plan contains all revisions made from 1981 to this date.

Please discard all other revisions and replace them with this new revision.

Note that the attached plan does not include:

- Part II, Section I, Site Specific
- B. Indian Point Site
- C. R.E. Ginna Nuclear Station

These two site specific sections will be sent to you under separate cover in the near future.

This July edition will be used in the July 18 James A. FitzPatrick Exercise.

Should you need any additional information, please contact me at: Radiological Emergency Preparedness Group  
Empire State Plaza, Tower Building  
Room 1750  
Albany, NY 12237
