Re: F-84-440  
Nuclear Regulatory Commission  
Nine Mile Point Nuclear Station Unit 2

Dear Mr. Toennis:

Pursuant to Federal Regulations (15 CFR 930.63), the State's coastal management agency (the Department of State) is required to notify you of the status of review of your consistency certification for the above project, if a decision has not been issued within three months following commencement of State agency review.

Accordingly, this is to advise you that the Department of State has not reached a decision on your consistency certification for the following reason:

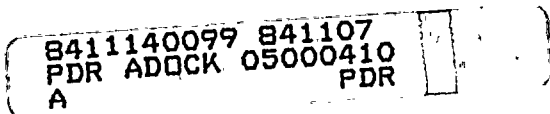

Completion of the Department's review is pending issuance of a Public Notice by the Department of State.

The U.S. Nuclear Regulatory Commission is being notified of the status of the Department of State's consistency review for this project by copy of this letter. If you have any questions on this matter, please call me at (518) 474-3642.

Sincerely,

Kevin J. Cross  
Consistency Coordinator  
Coastal Management Program
