Gentlemen:

Subject: Systematic Assessment of Licensee Performance (SALP); Report
No. 50-220/85-98

The NRC Region I SALP Board conducted a review on January 7, 1987 and evaluated the performance of activities associated with Nine Mile Point Unit 1. The results of this assessment are documented in the enclosed SALP Board report. A meeting will be scheduled to discuss this assessment. This meeting is intended to provide a forum for candid discussions relating to this performance.

At the meeting, you should be prepared to discuss our assessment and your plans to improve performance. In particular, you should be prepared to discuss your planned actions relative to the management of maintenance activities and to management involvement in assuring quality. Any comments you may have regarding our report may be discussed at the meeting. Additionally, you may provide written comments within 30 days after the meeting.

Following our meeting and receipt of your response, the enclosed report, your response, and a summary of our findings and planned actions will be placed in the NRC Public Document Room;

We appreciate your cooperation.

Sincerely,

Thomas E. Murley
Regional Administrator
