Re: Nine Mile Point Unit 2
Docket No. 50-410

Gentlemen:

By letter dated May 9, 1986, Niagara Mohawk Power Corporation advised the Nuclear Regulatory Commission Staff that certain lock sets installed in plant fire doors were not UL listed because the locks are not self-latching if the power feeds to them are lost. In a subsequent letter dated June 10, 1986, Niagara Mohawk Power Corporation committed to replace, by March 1, 1987, these lock sets with a type that is UL listed. This work was completed on February 28, 1987.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION

C. V. Mangan
Senior Vice President
