Subject: [External_Sender] oppose the Waste Control Specialists (WCS) Consolidated "Interim" Storage waste dump site in West Texas

Please oppose the Waste Control Specialists (WCS) Consolidated "Interim" Storage waste dump site in West Texas.

The NRC must conduct safety and environmental reviews before it decides whether to approve the dump application. Hundreds of Texas and New Mexico residents turned out last week to tell the NRC they don't want a radioactive dump and nuclear waste shipments in their communities.

Thank you.
