Docket No. 50-410
NPF-69

Gentlemen:

This letter is to inform you of a minor revision to the corrective action made in response to the Notice of Violation contained in Inspection Report No. 50-410/87-08, dated July 30, 1987. In the September 8, 1987 letter, Niagara Mohawk committed to revising Administrative Procedure AP-2.0, "Production and Control of Procedures." After further investigation, Niagara Mohawk has determined that Administrative Procedure AP-4.0, "Administration of Operations," is a more appropriate place for the revision. Only the location of the change was affected, not its content. The revision to the procedure was completed on November 6, 1987.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION
