1. The first part of the report discusses the general situation of the country and the progress of the work. It also mentions the results of the survey and the conclusions drawn from it.

2. The second part of the report describes the work done during the year. It includes a detailed account of the various projects and the progress made on each of them.

3. The third part of the report discusses the financial situation of the organization. It includes a statement of the income and expenditure for the year and a comparison with the budget.

4. The fourth part of the report discusses the personnel situation. It includes a list of the staff members and a description of their duties.

5. The fifth part of the report discusses the future plans of the organization. It includes a list of the projects to be undertaken in the next year and a description of the resources required for each of them.
