Gentlemen:

SUBJECT: ORGANIZATION AND PERSONNEL CHANGES

This letter is to inform you of an organizational change made in Niagara Mohawk's Nuclear Division.

Effective January 18, 1993, the position of Vice President-Nuclear Support was eliminated and the Branch Managers reporting directly to the Vice President-Nuclear Support were realigned to report to the Vice President of Nuclear Generation or the Vice President of Nuclear Engineering.

The Branch Managers of Procurement and Training now report to the Vice President of Nuclear Generation, Mr. Neil S. Carns, while the Branch Managers of Information Management and Licensing now report to the Vice President of Nuclear Engineering, Mr. Carl D. Terry. The Director of Emergency Preparedness will now report directly to the Training Manager. Otherwise, the duties and responsibilities of the Branch Managers remain unchanged.

Mr. Joseph F. Firlit, formerly Vice President - Nuclear Support, will be pursuing opportunities outside Niagara Mohawk.

Sincerely,

B. Ralph Sylvia
