The Honorable James T. Walsh
Member, United States House
of Representatives
P.O. Box 7306
100 South Clinton Street
Syracuse, NY 13261

Dear Congressman Walsh:

I am responding to your May 7, 1992 letter to Dennis Rathbun, Director, Office of Congressional Affairs, in which you request information for your constituent, Frank Adelsperger, on policies affecting opportunities for small business.

Mr. Adelsperger's letter was not specific regarding the services which his organization provides in the nuclear field. Therefore, I am enclosing the necessary form for Mr. Adelsperger to use in describing Adelsperger Associates' capabilities. Once this information is returned to NRC, Adelsperger Associates will be placed on the bidders' mailing list for future NRC requirements in the area of their expertise.

I am also enclosing NRC's Fiscal Year 1992 Forecast of Expected Contract Opportunities, as well as a brochure entitled "Let's Do Business with NRC" which may be of help to Mr. Adelsperger in preparing proposals to perform work for NRC.

I trust this reply responds to your request.

Sincerely,
Original Signed By
~~James M. Taylor~~
James M. Taylor
Executive Director for Operations
