I. TRAINING DESCRIPTION

- A. Title of Lesson: Significant Event Review
- B. Lesson Description: To make Non-Licensed Operators cognizant of industry events which could have similar impact at NMP2.
- C. Estimate of the Duration of the Lesson: 1/2 - 2 hours
- D. Method of Evaluation and Grade Format and Standard of Evaluation: Attendance, Participation in Class
- E. Method and Setting of Instruction: Seminar
 - 1. Training Setting: Classroom
- F. Prerequisites:
 - 1. Instructor:
 - a. Certified in accordance with NTP-16.
 - 2. Trainee:
 - a. In accordance with NTP-12.
- G. References:
 - 1. NMP2 Operating Procedures
 - 2. NMP2 Licensee Event Reports
 - 3. Industry Events/Information Notices
 - 4. NRC/INPO Evaluations
 - 5. 10CFR55

II. REQUIREMENTS

- 1. NTP-12, "Unlicensed Operator Training"
- 2. AP-9 "Administration of Training"
- 3. INPO NLO Guidelines

III. TRAINING MATERIALS

- A. Instructor :
 - 1. As delineated in attachments to this lesson plan.
 - 2. Training Record Form |1
- B. Student:
 - 1. As delineated in attachments to this lesson plan.
 - 2. Course Evaluation Forms |1

IV. EXAM AND MASTER ANSWER KEYS

- A. Exams and answer keys will be on permanent file in the Records Room.

V. LEARNING OBJECTIVES

A. Terminal Objectives

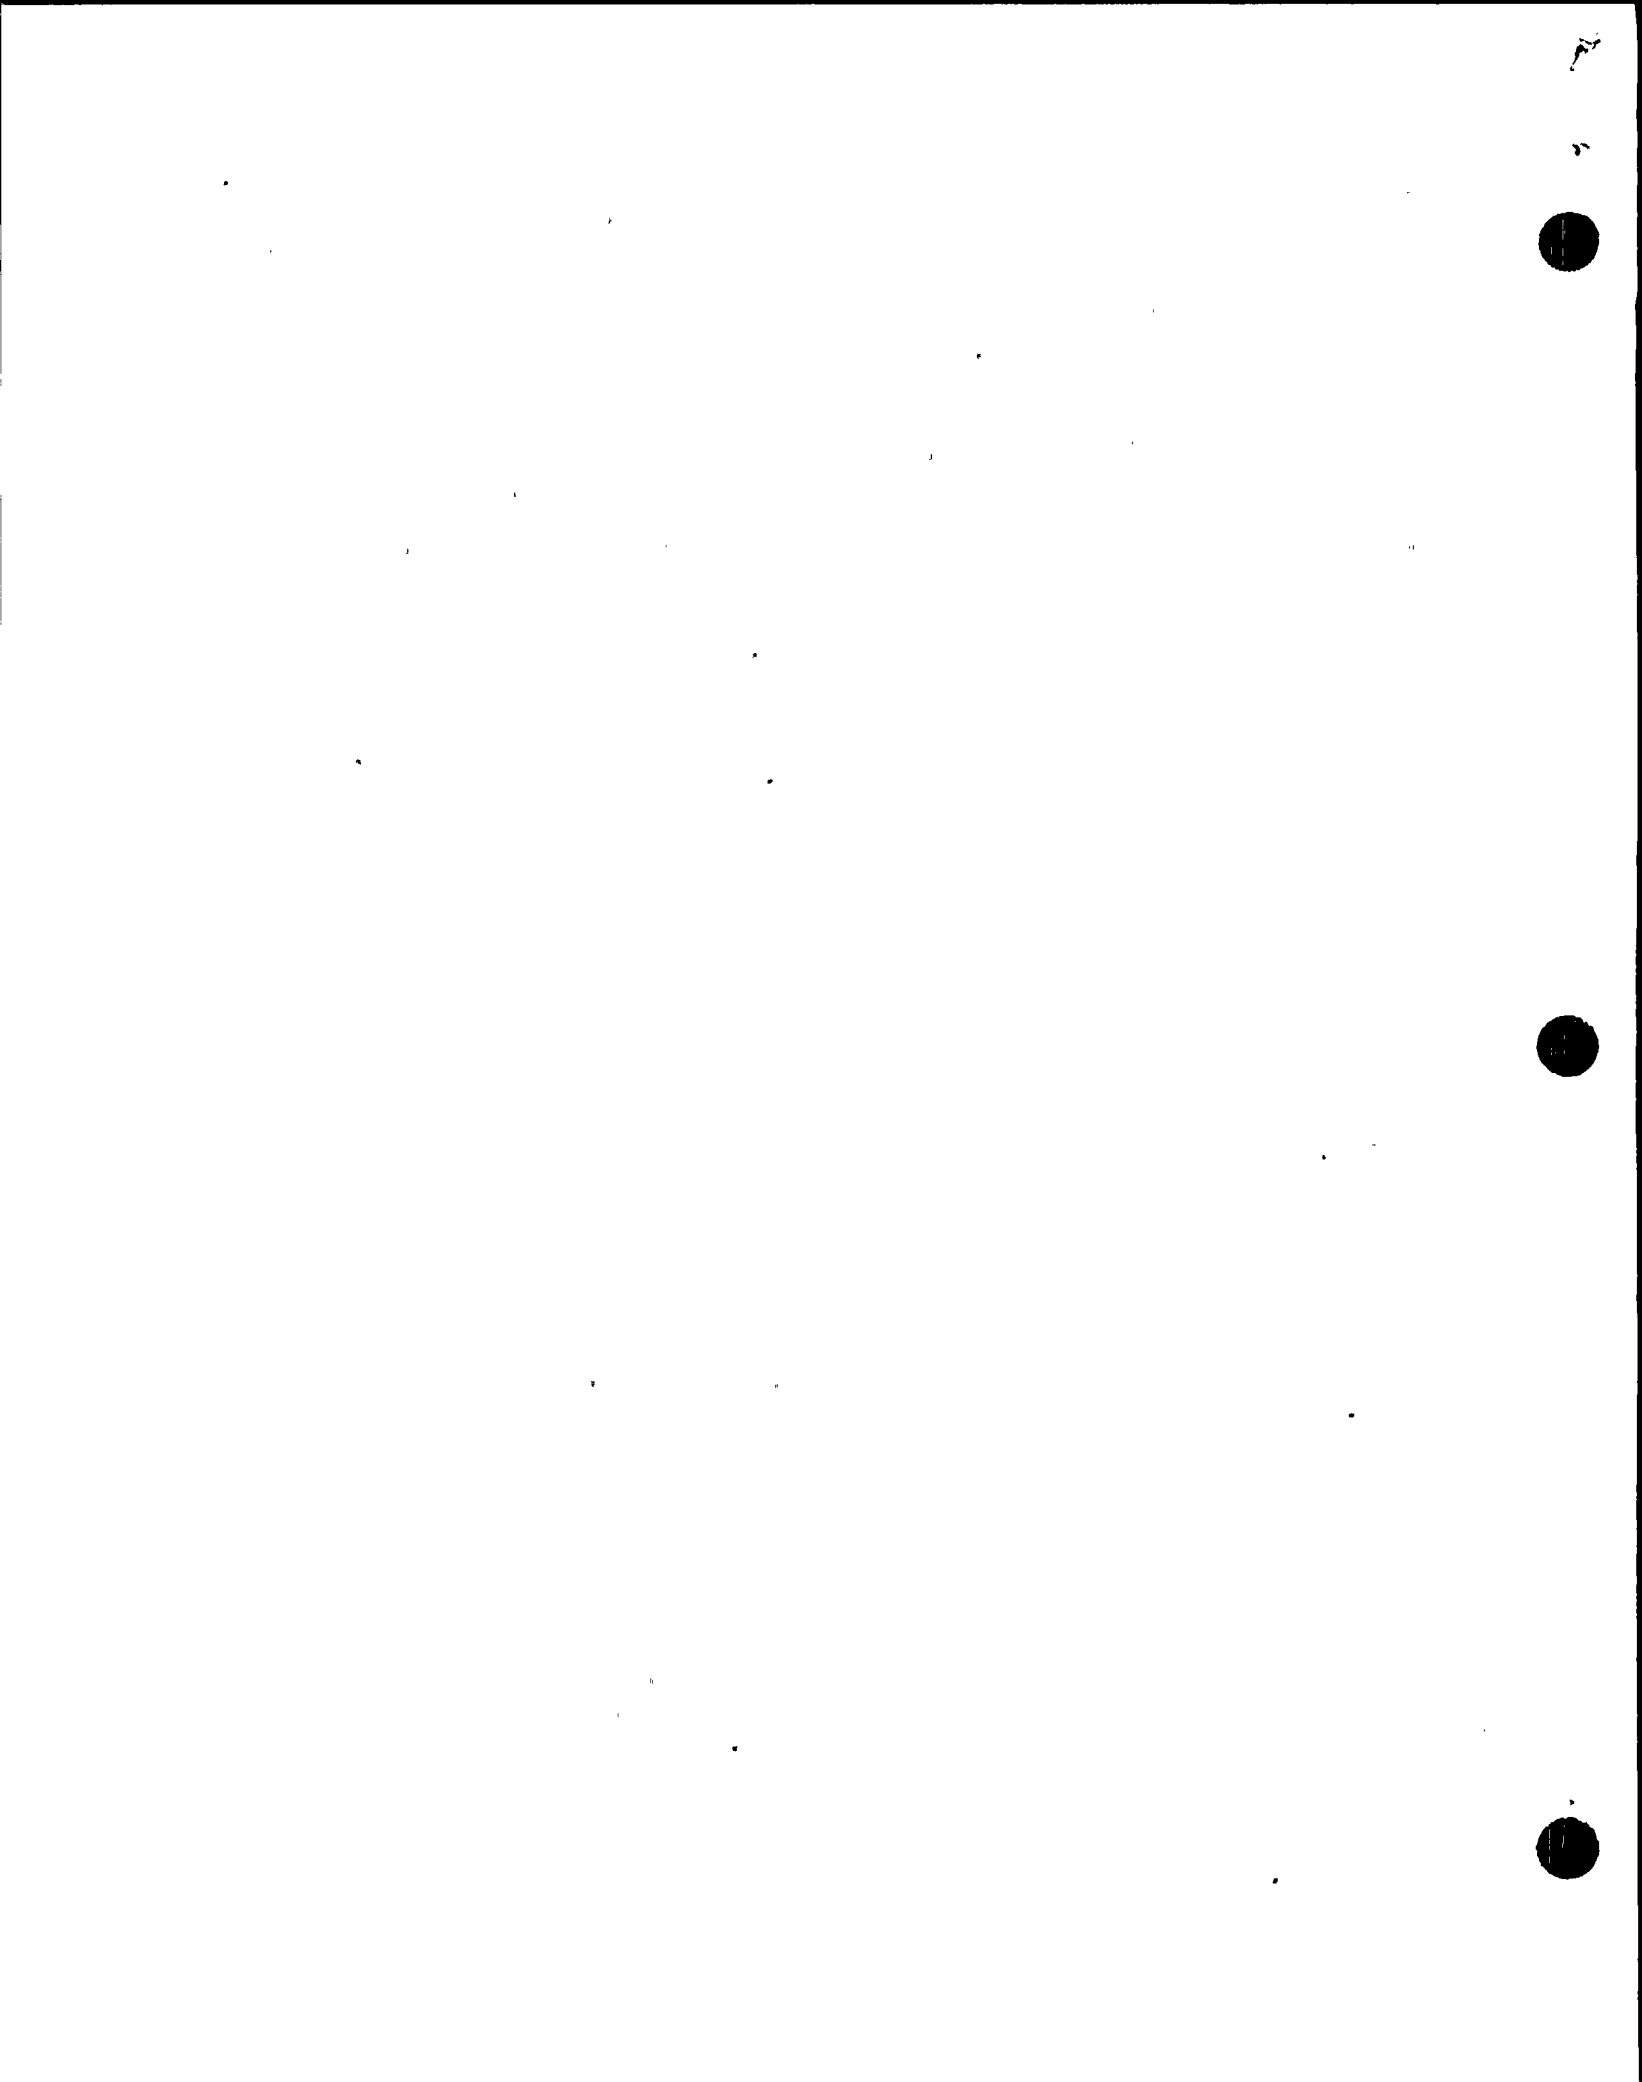

TO-1.0 Attend the Non-Licensed Operator Review of applicable industry events and actively participate in the review discussion to the instructor's satisfaction.

B. Enabling Objectives

EO-1.0 State why a specified industry event is of concern to Nine Mile Point Unit 2.

EO-2.0 List the implications which a specified industry event may have concerning plant and personnel safety.

EO-3.0 Describe the procedures/design features that Nine Mile Point Unit 2 utilizes to prevent occurrence of a specified incident at this plant.

A. Introduction

1. Review student learning objective.

B. Purpose

The purpose of this review is to make the operators aware of significant events within the industry which could have similar impact on operations at NMP2 by reviewing the following:

- a. Significant licensee event reports occurring during current two-year schedule.
- b. Significant industry events occurring during current two-year schedule.

C. Seminar Description

1. Review significant LER's and industry events which have occurred during current two-year schedule.
2. Review notes from past evaluations performed by NRC/INPO on weak areas noted.
3. Summarize/Discuss possible items which may or could happen at NMP2.
4. Summarize topics covered, clarify any misconceptions.

- Specific events to be covered are per Attachment 2 of applicable cycle schedule.

- Review significant NMP2 events, point out recurring problems and note corrective actions.

EO-1.0
 EO-2.0 |1
 EO-3.0 |

- Review significant industry events specifically those that caused NMP2 to change procedures or caused plant modifications.

EO-1.0 |1
 EO-2.0 |
 EO-3.0 |

- Instructor review content.

- Review/note weak areas noted by outside agencies.
