SUBJECT: ISSUANCE OF EMERGENCY AMENDMENT FOR NINE MILE POINT NUCLEAR
STATION, UNIT 2 (TAC NO. M93357)

Dear Mr. Sylvia:

The Commission has issued the enclosed Amendment No. 68 to Facility Operating License No. NPF-69 for the Nine Mile Point Nuclear Station, Unit 2. The amendment consists of changes to the Technical Specifications (TSs) in response to your application transmitted by letter dated August 28, 1995.

The amendment revises Primary Containment Purge System TS Section 3.6.1.7, Limiting Condition for Operation. The revision extends the amount of time the 12-inch and 14-inch purge system supply and exhaust lines may be used for venting or purging from 90 to 135 hours per 365 days. In addition, expired footnotes were deleted as an editorial change and the associated Bases section was revised.

A copy of the related Safety Evaluation is enclosed. A Notice of Issuance will be included in the Commission's next regular biweekly Federal Register notice.

Sincerely,

Original signed by:

Gordon E. Edison, Senior Project Manager

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial statements and for providing a clear audit trail. The text notes that any discrepancies or errors in the records can lead to significant complications during an audit and may result in the disallowance of certain expenses.

2. The second part of the document addresses the issue of proper documentation. It states that all receipts and invoices must be properly filed and indexed to facilitate the search process. The document also highlights the need for regular reviews of the records to identify any potential areas of concern or to ensure that all necessary information is captured and preserved.

3. The third part of the document discusses the role of the accounting department in the overall financial management of the organization. It notes that the accounting department is responsible for providing accurate and timely financial information to management and other stakeholders. This information is used to make informed decisions about the organization's operations and to ensure that the organization is meeting its financial obligations.

4. The fourth part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial statements and for providing a clear audit trail. The text notes that any discrepancies or errors in the records can lead to significant complications during an audit and may result in the disallowance of certain expenses.

5. The fifth part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial statements and for providing a clear audit trail. The text notes that any discrepancies or errors in the records can lead to significant complications during an audit and may result in the disallowance of certain expenses.

6. The sixth part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial statements and for providing a clear audit trail. The text notes that any discrepancies or errors in the records can lead to significant complications during an audit and may result in the disallowance of certain expenses.
