Subject: [External_Sender] Semi-annual Report 2nd half 2016 extension request

Ron

As discussed by phone this morning Uranium One is requesting an extension for submittal of the 2nd Half 2016 Semi-Annual effluent report as U1 has not received some of the environmental monitoring data for the 4th quarter at this time. I am currently following up with our vendor on when this information will be available.

Uranium One is therefore requesting an extension of the submittal date for the 2nd Half 2016 Semi-Annual effluent to March 15, 2017, which should allow ample time for this information to be provided to Uranium One and get the information incorporated into the report.

If you have any questions regarding this matter please contact.

Regards,

Scott Schierman | HSE Manager
