Dear FOIA officer:

My name is Madison Hopkins with the Better Government Association and this is a request under the Freedom of Information Act.

Under FOIA, I'm requesting:

The personnel files, including work histories, for all NRC employees or contractors who have conducted official inspections at operating or decommissioned nuclear power plants in Illinois from 2000 to the present. This includes resident inspectors, and any other personnel who participate in inspections at plants, including inspections that occur during the decommissioning process.

This is for a possible news story. As such, I ask that any fees be waived as law allows.

Please convey the information electronically to this email address:  
[mhopkins@bettergov.org](mailto:mhopkins@bettergov.org).

Also, please contact me with any questions.

Sincerely,

Madison Hopkins
