

VOID SHEET

TO: License Fee Management Branch

FROM: RIII - Material Licensing Branch

SUBJECT: VOIDED APPLICATION

Control Number: 592516

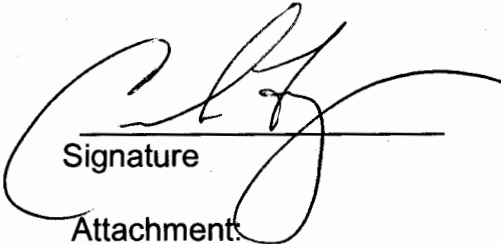

Applicant: Cardinal Health

License Number: 34-29200-01MD

Docket Number: 030-36973

Date Voided: February 28, 2017

Reason for Void: The licensee in letter dated November 28, 2016, (ML16335A431), requested an amendment to allow the addition of germanium-68 and gallium-68 isotopes to prepare radiopharmaceuticals for distribution to authorized recipients. As discussed in a telephone conversation on February 10, 2017, with Glenn P. Sullivan, MBA, Manager, Regulatory Management, NPS, (Richard Green, Dan Hill and Matt Svejik of Cardinal Health) the licensee, who is requesting an exemption for a DFP, will need to submit Financial Assurance (FA) in accordance with 10 CFR 30.35. The licensee in response letter dated February 13, 2017, indicated that FA will be provided under separate cover. The licensing action will be voided to allow the licensee the appropriate time to obtain the FA.
