Dear Mr. Neely,

This is in reference to your letter dated requesting for amendment to Nuclear Regulatory Commission License No. 47-17517-02, Docket No. 03015246. In order to continue our review, we need the following additional information:

1. You have requested for the unrestricted release of your facility located at 1127 Short Creek Road, Wheeling, WV. In accordance with NUREG-1757, Volume 3, "Consolidated Decommissioning Guidance Financial Assurance, Recordkeeping, and Timeliness," please provide a copy of the last leak test results of all sealed sources that were stored or used in this facility.
2. Please have a management representative sign stating that they have reviewed the amendment request and agree with the request. Please have all future amendment requests signed by a management representative.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office (Address below) and refer to Mail Control No. 593012. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application OR amendment request.

Please respond by e-mail to acknowledge that you have received the e-mail request for additional information.
