**Subject:** Response to Email Request for Additional Information dtd 02/08/2017; MC592605

**Discussion:** Mr. Godwin was called to close out the request for additional information sent to him via email on February 8, 2017, regarding the license amendment request letter received by the NRC on December 19, 2016. Mr. Godwin confirmed that the amendment was requested for a name change only due to a merger between two sister companies and that both companies still report to the parent, and the parent corporation maintains control of the license, as was the case before the merger. Mr. Godwin was informed that our office had determined that the amendment request was not a transfer of control as defined in 10 CFR 30.34(b), and therefore, he did not need to respond to the aforementioned request for additional information.

I informed Mr. Godwin that we have enough information to complete our review and that he did not need to respond to the February 8, 2017, request for information with a written letter.
